

## Party policy

**Quiet time after 11:00 pm, please.** All noisy outdoor activities should cease by 11:00 pm. Any complaints by other guests, staff or neighbors of excessive outside noise after 11:00 will result in you being asked to leave the property immediately with no refund and the authorities will be called.

We do not allow any illegal behavior such as drug use or underage drinking. We will call the Sheriff's Department immediately if we suspect illegal activity. We want you to have a good time, but you must follow all laws, and be respectful of your neighbors and our property.
